COPPERFIELD CHURCH

Weekday Preschool

A Christian school since 1994

God's Handiwork

*"I have no greater joy than to hear that
my children walk in truth."*

3 John 1:4

WELCOME TO WEEKDAY PRESCHOOL!

Our Goal

The Weekday Preschool program at Copperfield Church is a ministry to families and their children. Our goal is to provide a loving, safe, Christian atmosphere for children from our church and the surrounding community. The children will learn of God's love through Bible stories, prayer, learning centers, music, crafts and playtime. The program promotes intellectual, social, emotional, physical and spiritual growth. It is our desire to be a positive influence in each child's life.

There is an annual non-refundable registration fee of \$90 per child that is due at registration.

Registration

Children are registered annually on a first come first serve basis. A completed registration and medical form is needed along with the annual registration fee at this time.

Registration will be on-going, with a no-obligation waiting list added as needed. There is no fee required while on waiting list.

General Information

Hours are 9:30 am - 2:00 pm

Copperfield Church Weekday Preschool follows the Cy-Fair ISD Calendar with some minor differences.

A healthy lunch should be brought from home.

Age

Children ages 18 months through those not yet in Kindergarten may be registered. Placement in classes is based on the age as of September 1.

Curriculum

A theme-based curriculum is used for all classrooms. We offer a wide variety of daily themes while offering additional emphasis on monthly Math and Science concepts. Each class will be introduced to a new Social Skill each month. It is especially important to us that your child learns God's love and spiritually grows within it. Our students will engage in hands on learning with a weekly Bible story and a monthly Bible verse. We also offer a daily Music and Creative Movement class filled with plenty of games that provide physical activity centered around daily themes while learning songs and finger plays.

The curriculum for ages 3-5 is designed to help each child develop language, reading, writing and math skills appropriate to the stage of development.

The primary focus for the 4/5 year old program is preparation for Kindergarten. We use phonic based curriculum known as ABEKA in addition to a theme based curriculum. In addition to our ABEKA curriculum, we introduce the Kindergarten High Frequency Site Words.

You will have an opportunity to “Meet the Teacher” before our first day of school.
